Rosemary and Kelly – Is the attached “Draft – FL EPA MOA 9_20181101_CLEAN.DOCX” the same document that we used to compare to FDEP’s most recent MOA? I’m assuming it is, but just want to verify. Thanks, Tom

FYI, please see Trey’s email to FDEP below. I’m not sure of any plans for EPA leadership to share markups of the Corps-FDEP with the Corps, but I’ve asked about it and will keep you posted.

Noah,

I want to thank you and your staff for FDEP’s work with EPA on 404 assumption. Recently your staff provided revised language for the two required Memorandums of Agreement. Attached, please find both documents with our suggested

modifications/changes. We have included a clean copy of each document and for ease of review a redlined document showing our suggested changes.

If you have any questions please let me know. Again thanks for all of the work you and your staff are undertaking in this effort.

Trey
